*Meeting the basic eligibility requirements for entrance into Oak View's Technology Magnet does not ensure admission into the program. The decision of the selection committee will be final.

Please be aware that it is the Alachua County Public School's policy that any student committing to more than one magnet/choice program will be denied admission to any magnet or choice program. The student will then be re-zoned to his/her home school.

WRITING PROMPTS

Please provide responses to 2 of the 3 prompts listed below. Responses should be 250 words or less for each selected prompt and may be hand written or typed.

#1 Leadership

Describe a quality that you possess that makes you an effective member of a team or group.

#2 Technology

Describe the role that technology plays in your success as a student.

#3 Critical Thinking

Your teacher has assigned a project about the country of your choice. You must write a report, have a visual display, and present your country to the class. You have two weeks to complete this project.

Describe your plan for completing this assignment.

I have read all of the above information and instructions and all of the written responses are my own.
